

CREATOR'S CREATION

In Romans 1:18, Paul says, "For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse."

Or, in Luke 19:37-40, the Pharisees asked Jesus to tell his followers to quit speaking praises to God. Jesus replies that if his followers will not speak out, then the rocks will cry out.

Do the things in nature cause you to affirm the existence, power, and glory of God?

The older brother of one of my former students is a well-known pulpit minister in Farmer's Branch, Texas. His congregation put together a video, "Creation Calls," for their worship service. It is a great media presentation.

The video contains edited clips from the BBC TV series *Plant Earth*. The music is by a Canadian contemporary Christian artist, Brian Doerksen. You can purchase a CD or DVD from their websites.

The video is six minutes long but well worth the time.
