

HEBREW MORNING PRAYER

“Praised are You Lord our God, who rules the universe, fashioning the human body in wisdom, creating openings, arteries, glands, and organs, marvelous in structure, intricate in design. Should but one of them fail to function by being blocked or opened, it would be impossible to exist. Praised are You Lord, healer of all flesh, sustaining our bodies in wondrous ways. Amen.”

I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.
